

LET'S WORK  
TOGETHER

Cathy Morris and Vickie Jennings know that a house is more than just four walls and a roof...it is a gathering place for family and friends... furry family and friends included!

For 2018, Cathy and Vickie are offering to pay a portion of the adoption fee for a pet each month.

To apply, email Cathy or Vickie with your name, contact information, what kind of pet you would like to adopt, and we will help coordinate the rest.

You'll be asked to bring a voucher to the adoption facility Sunny Sky's and sign a photo release for program participation.

We look forward to helping you fill your home with love!
